hi my name is bertie the bee

I am the busiest bee because I love looking for new books. All day long I buzz around learning new facts and reading new stories. I like books that have lots of pictures and new words.

What books do you like? Find 2 new books and tell me all about them.

Your library at school is full of lots of good books. It is important to put your books back so that the library is nice and tidy. Some of the books will be kept in the order of the alphabet. Practice by putting these three words in order of the alphabet.

I hope you enjoyed your book. Now lets find out some more about your library and what sort of books you can find there.

Your library has two big groups of books. One group is called the **fiction** group and the other is the **non-fiction** group.

**fiction** books are stories that we make up in our heads.

**non-fiction** books are all about things that we know like animals, food and plants.

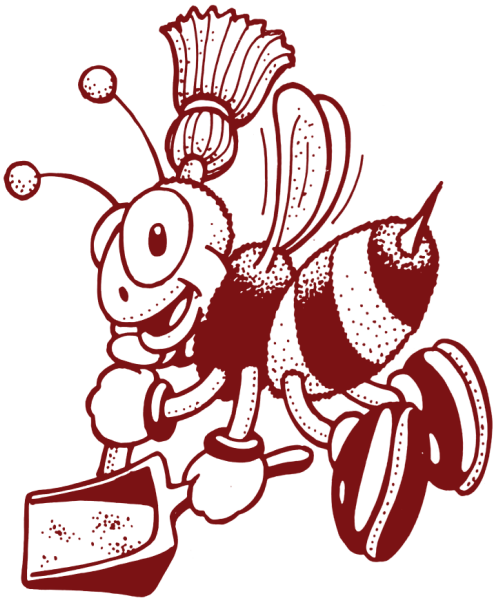

Which group was your first book a part of?
