Pathways

S4 Pathways

Activity 1 – Pathways to Different Careers

In this activity we are going to look at the different pathways that you can take to landing your dream job. It is important to remember that you are not required to go to university for every job. Below are three different job titles, starting with choosing appropriate subjects in S5 and S6 and finding appropriate courses at colleges and universities find a pathway that will enable you to achieve this career.

JOB TITLE: JOURNALIST

	Name of Course/s	Institution of Study	Qualification Gained
Step 1 – S5/S6 Subjects			
Step 2 – Apprenticeship/Work Experience			
Step 3 – College Course			
Step 4 – University Course			
Step 5 – Professional Qualifications			

JOB TITLE: PLUMBER

	Name of Course/s	Institution of Study	Qualification Gained
Step 1 – S5/S6 Subjects			
Step 2 – Apprenticeship/Work Experience			
Step 3 – College Course			
Step 4 – University Course			
Step 5 – Professional Qualifications			

JOB TITLE: ACCOUNTANT

	Name of Course/s	Institution of Study	Qualification Gained
Step 1 – S5/S6 Subjects			
Step 2 – Apprenticeship/Work Experience			
Step 3 – College Course			
Step 4 – University Course			
Step 5 – Professional Qualifications			

Activity 2 – Selection of Subjects

Below is a selection of subjects, by using the resources in the careers library create a pathway to a career that starts with these subjects. It can be any career and you may only use one or two of the subjects as a starting point but the pathway that you create must be in depth and correct.
